COMPANY OVERVIEW

WD Consulting & Contracting LLC (WDCC) is a small-business government consulting and contracting firm serving **businesses pursuing government opportunities** and supporting **Federal agencies, DoD organizations, prime contractors, and mission partners** with program, operational, administrative, acquisition, logistics, and management support.

WHY WDCC

- Government Contracting Consulting + Federal Market Opportunity Roadmaps
- DoD contractor experience, including LOGCAP III & IV environments
- Leadership of 300+ personnel and multi-location operations
- Strategic planning, contract deliverables (CDRLs), SOWs, and executive reporting
- Small-business agility with mission and business perspective
- Prime, subcontractor, and teaming support readiness

RELEVANT PROFESSIONAL EXPERIENCE

- Contingency and multi-location operational support
- Contract compliance and customer requirements
- Procurement, vendor, subcontractor, and materials coordination
- Budget management, resource planning, and execution
- Strategic/future-operations planning and transition support
- Business development, proposal, and new-work support

FEDERAL MARKET OPPORTUNITY ROADMAP

Evaluate → Roadmap → Position → Pursue
A structured market-entry and growth approach that can include capability/market-fit assessment, NAICS/PSC alignment, agency and sub-agency targeting, procurement forecasts, historical spending and award analysis, incumbent/recompete analysis, prime and teaming research, opportunity qualification, Go/No-Go analysis, and 30/60/90-day pipeline planning.
